Burrinjuck Waters Holiday Park recognised as Camping & Caravanning industry leader

Inland Waters Holiday Parks (IWHP) Burrinjuck Waters has been recognised as industry frontrunners by the Caravan and Camping Industry Association (CCIA NSW), having been named as finalists in the *Best Inland Park (more than 100 sites)* category at the highly competitive *CCIA NSW Awards of Excellence*.

CCIA NSW is the top industry organisation for the Camping and Caravanning industry in the state, with the awards recognising outstanding businesses within the caravan, camping and holiday parks market.

The management of Burrinjuck Waters is overseen by the NSW Crown Holiday Parks Trust (NSWCHPT), which also manages the operations of North Coast Holiday Parks (NCHP) and South Coast Holiday Parks (SCHP).

Four other parks under the NSWCHPT banner have also been named as finalists at the upcoming awards night to be held at Luna Park on 16 October:

- IWHP Copeton Waters is a finalist in the *Best Inland Park (more than 100 sites)* category
- NCHP Moonee Beach and NCHP Evans Head are finalists in the *Best North Coast Park (more than 100 sites)* category
- SCHP Eden is a finalist in the *Best South Coast Park (more than 100 sites)* category

Burrinjuck Waters Manager Dean Brind called the finalist nod a great testament to the ongoing devotion of his team to offer all guests an unrivalled holiday experience.

“It’s a great feeling to have this level of acknowledgement from our industry peers at CCIA NSW and it has certainly inspired our team at the park to continue to raise the bar of what we do here at the park,” Dean said.

“This nomination is truly a team effort and I can’t thank all staff enough for all their hard work throughout the year.”

NSWCHPT Steve Edmonds recognised Burrinjuck’s inclusion on the finalist list as a great boon for the organisation, calling the finalist nod a great honour for both the park itself and the wider organisation.

“Burrinjuck’s finalist selection is a great representation of the hard work and dedication of Dean and his team on the ground at Burrinjuck,” Mr Edmonds said.

NEW SOUTH WALES CROWN
HOLIDAY PARKS TRUST

“The Trust is committed to ensuring all guests to our parks enjoy an unforgettable ‘back to nature’ home away from home experience and this recognition from CCIA NSW for not one but four of our parks is a great motivator in our mission to become the leading provider of iconic holidays across NSW.”

Mr Edmonds passed on his best wishes to Dean and said he looked forward to hearing the results on the night.
