EVANS HEAD RIVERFRONT CAFÉ TO UNDERGO REVAMP

The Riverfront Café at Reflections Holiday Parks Evans Head will close from this Sunday, 25 February 2018 to undergo refurbishments for an improved guest experience.

The café at the Evans Head holiday park, a favourite with park guests and the local community, will be temporarily closing for a refurbishment and upgrade of facilities.

Reflections Holiday Parks CEO Steve Edmonds said heading into low season was the preferred time to upgrade the café to ensure the least amount of disruption for guests.

"There are no plans to close the café long term," Mr Edmonds said.

"In the interim, we are exploring avenues to enable the park to continue providing food and refreshments through local providers.

"We are excited at the opportunity to be able to improve the café and look forward to continuing this service soon."
