

Seeking Tourism-Minded Holiday Park Managers for Three Iconic NSW Locations

Three rare opportunities for park management professionals seeking a coastal change have opened up with Reflections Holiday Parks calling for tender applications for the group's iconic holiday parks in Lennox Head and Brunswick Heads on the NSW North Coast and Bermagui in the south.

Reflections Holiday Parks CEO Steve Edmonds said tenders for *Reflections Holiday Parks Lennox Head, Massy Greene (Brunswick Heads) and Bermagui* were now being accepted from customer-service minded professionals who could hit the ground running.

"These are long-term contract opportunities in popular tourist destinations which don't come up very often," Mr Edmonds said.

"Our Vision is to transform our holiday parks into places that inspire all who visit and we are focussed on finding the right people with teams who will go the extra mile for their guests and strive to achieve this Vision.

"The successful park management contractors for these iconic coastal parks will love people, strive to ensure exceptional holiday experiences and be customer focussed with a team who can make their holiday park shine.

"Customer service remains at the core of our offering and we see our park management teams as a cornerstone to providing a real connection with our guests.

"Prior to tendering, we invite potential applicants **to register for a guided walkthrough** for their park of choice. Park walkthroughs are scheduled for the week commencing **29 July 2019**, so we urge interested candidates for these busy showcase parks to get in quick."

Applications to tender close **5:00pm, Friday, 9 August 2019**. Holiday Park industry experience is well regarded but not essential.
