

## **NSW FIRE UPDATE: NOON**

### **Reflections Holiday Parks Reopen After Catastrophic Fire Ratings Throughout NSW**

**Reflections Holiday Parks across NSW have resumed normal operations today after being closed yesterday due to fire activity throughout NSW.**

Four holiday parks, including Killalea Reserve on the South Coast and Seal Rocks, Lake Glenbawn and Hungry Head in Northern NSW were closed yesterday with parks throughout the fire-affected region not accepting new guests or walk-in arrivals.

Reflections CEO Steve Edmonds said the team closely monitored the NSW Rural Fire Service's (RFS) broadcasts and wind situation during the night, with all parks working together to ensure the safety of guests and staff.

"This was an unprecedented fire situation and we want to thank everyone for their patience and understanding during our park closures yesterday," Mr Edmonds said.

"Nothing is more important than the safety of guests in our care and our thanks go out to all emergency personnel who have been out this past week battling these fires and keeping people safe.

"The Reflections Group has 37 Holiday Parks throughout NSW, including nine inland parks which have also been affected by the recent drought conditions.

"With significant fire activity continuing today and many road closures still in force throughout NSW, please check the RFS website at <https://www.rfs.nsw.gov.au> and traffic reports before you embark on your journey today."

**About *Reflections Holiday Parks***

Reflections manages the operations of 37 holiday parks and community reserves on Crown land throughout NSW. Formed in 2013 to consolidate the operations of 28 coastal and nine inland holiday parks and reserves located on Crown land throughout NSW, the Group incorporated three holiday park brands, (*North Coast Holiday Parks, South Coast Holiday Parks and Inland Waters Holiday Parks*), under its corporate banner, *Crown Holiday Parks*.

Rebranded to *Reflections Holiday Parks* in February 2018, the Group brings its 37 holiday and community parks on Crown land under the one unified banner. The group is a not-for-profit organisation and reinvests its surplus funds across all its holiday and community parks, so visitors and regional communities can keep enjoying these pristine locations. The vision of *Reflections Holiday Parks* is to inspire all who visit.
