

Guests Rate Seal Rocks Holiday Park the Best!

Our valued guests have spoken. Reflections Holiday Park at Seal Rocks has won the 2020 TripAdvisor *Travellers' Choice* award, placing the holiday park in the top 10% of the accommodation sector worldwide.

The *Travellers' Choice* award is the highest honour the online travel platform, Trip Advisor, can bestow. Established in 2002 to recognise the best of the best in tourism, the *Travellers' Choice* award is based on world-wide reviews and opinions from travellers to recognise exceptional tourism experiences.

Acting Reflections Holiday Parks CEO Michelle Griffin said Seal Rocks was an iconic coastal getaway which consistently receives industry accolades for its range of accommodation offerings and excellence in guest services.

"Last year, Seal Rocks also won Gold at the North Coast Tourism Awards and Silver at the NSW Tourism Awards reflecting the park's \$6 million upgrade in eco accommodation, guest lounge and playground and the team's efforts to provide memorable holiday experiences," Ms Griffin said.

"With overseas travel a 'no go' for the foreseeable future and pandemic restrictions limiting interstate travel, our coastal parks like Seal Rocks promise a haven of fresh air, wide open spaces, pristine beaches and a COVID safe environment.

"Our 37 holiday parks throughout NSW offer an affordable break for everyone without having to travel too far."

Park Managers Eddy and Justine Syme said Seal Rocks was an inspired holiday option for couples and families who wanted a tranquil sanctuary to beat the crowds and experience the calm of holiday park life in sensational surroundings.

"We are a small park, but boy do we pack a punch when it comes to providing our guests with a memorable holiday," they said.
