

Reflections Rewards Healthcare Workers with Holidays as Travel Restrictions Ease

Ten frontline healthcare workers will be packing their bags for a well-earned break as Reflections Holiday Parks rewards them with \$7,500 in holiday vouchers for their hard work and service during the Covid-19 pandemic.

[Reflections Holiday Parks](#) shared these much-needed getaways with St Vincent's Hospital Melbourne as a small way to say thank you to some of the many frontline staff across the State, who worked to treat and care for Covid-19 patients.

Reflections Holiday Parks CEO, Steve Edmonds said the holiday giveaways were part of a Reflections' initiative to create and share feel-good moments to boost spirits during what has been a challenging time for all.

"Our #findthefeels campaign has been warmly embraced by Australians, with hundreds of people sharing their small everyday moments that make them feel connected, loved and welcomed," Mr Edmonds said.

"As travel restrictions ease in Victoria and NSW prepares to welcome visitors again from across the Southern border, we are thrilled to share these holidays with deserving workers in Victoria as part of our efforts to help Aussies #findthefeels.

"From 23 November, we will welcome back Victorians to our 37 holiday parks across NSW, including those nearest the border such as Eden, Pambula and Bermagui. We look forward to hosting these deserving healthcare workers, along with all Victorians, who will enjoy some good times together this summer."

Reflections awarded the vouchers to frontline staff at St Vincent's Hospital Melbourne for the unflagging care and support they provided the community during the healthcare crisis.

St Vincent's Hospital Executive Director People and Corporate Support, Rebecca Roberts said staff were both thrilled and overwhelmed by this act of kindness and were jumping online almost immediately to plan and book their well-deserved holidays.

"It has been a difficult time for them to navigate, but through it all they kept their focus and never faltered in their commitment to helping others," Ms Roberts said.

"Being recognised in this special way has made our staff feel that their hard work didn't go unnoticed – it was appreciated and most importantly, helped make a difference."

One winner said they would use the voucher to reunite with family in NSW while on an outdoor holiday.
