

## Invitation Extended for Manager Applications for two Popular NSW North Coast Holiday Parks

Two rare opportunities for park management professionals, seeking a coastal change, have opened up with Reflections Holiday Parks calling for tender applications for the group's iconic holiday parks in Seal Rocks and Urunga/Hungry Head on the NSW North Coast.

Reflections Holiday Parks CEO Steve Edmonds said Reflections' parks were thriving with people seeking an easy, worry-free holiday option focussed on the outdoors for their family and friends.

"Our parks at Seal Rocks in the NSW Great Lakes Region and Urunga/Hungry Head, which is 30 minutes south of Coffs Harbour are incredibly popular and require very customer-service oriented teams," Mr Edmonds said.

"These are long-term contract opportunities in popular tourist destinations which don't come up very often. Our Park Managers also have the backing of a Head Office for support, which allows their teams to focus on providing a memorable guest experience.

"Our Vision is to transform our holiday parks into places that inspire all who visit and we are focussed on finding the right people with teams who will go the extra mile for their guests and strive to achieve this Vision.

"The successful park management contractors for these iconic coastal parks will love people, strive to ensure exceptional holiday experiences and be customer focussed with a team who can make their holiday park shine.

***About Reflections Holiday Parks***

Reflections manages the operations of 37 holiday parks and community reserves on Crown land throughout NSW. Formed in 2013 to consolidate the operations of 28 coastal and nine inland holiday parks and reserves located on Crown land throughout NSW, the Group incorporated three holiday park brands, (*North Coast Holiday Parks, South Coast Holiday Parks and Inland Waters Holiday Parks*), under its corporate banner, *Crown Holiday Parks*.

Rebranded to *Reflections Holiday Parks* in February 2018, the Group brings its 37 holiday and community parks on Crown land under the one unified banner. The group is a not-for-profit organisation and reinvests its surplus funds across all its holiday and community parks, so visitors and regional communities can keep enjoying these pristine locations. The vision of *Reflections Holiday Parks* is to inspire all who visit.
