

## **Reflections Holiday Parks Throw Open Their Gates from Today**

**Twenty-four Reflections Holiday Parks across the state are excited to be welcoming guests once again as parts of regional NSW emerge from lockdown today, Saturday 11 September 2021.**

Reflections Holiday Parks manages 37 holiday parks and 43 public recreation reserves across the state. This week's announcement by the NSW Premier to lift the lockdown for parts of Regional NSW deemed low risk has meant that staff at 24 Reflections parks are geared up to resume normal operations and able to welcome guests once again.

Reflections Holiday Parks CEO Nick Baker said the response to the NSW Premier's 11:00am announcement on Thursday was immediate with more than 1500 bookings made in the 36 hours since the announcement.

"In this time of pandemic and Covid stress, I am incredibly appreciative to see the level of trust that the public have put in our parks to provide a safe and memorable holiday," Mr Baker said.

"Covid has had a huge impact on people's travel plans and we know that people are absolutely wanting to take this opportunity to have a break and relax with their families once again in a natural, outdoor setting.

"Our teams have also been working around the clock to ensure that people have peace of mind when they stay at our parks or visit our day reserves. Stringent COVID plans are in place, including additional cleaning of all facilities and a contactless check in system.

"This has been a tough time for the county and on behalf of Reflections I would like to thank everyone for their cooperation as we comply with government and industry direction."

Mr Baker said the remaining 13 Reflections Holiday Parks still affected by lockdown restrictions were taking this time to make improvements. "Our staff have been busy with landscaping, maintenance work and painting to create an even more welcoming environment for guests when they can return."

**About *Reflections Holiday Parks***

Reflections manages the operations of 37 holiday parks and community reserves on Crown land throughout NSW. Formed in 2013 to consolidate the operations of 28 coastal and nine inland holiday parks and reserves located on Crown land throughout NSW, the Group incorporated three holiday park brands, (*North Coast Holiday Parks, South Coast Holiday Parks and Inland Waters Holiday Parks*), under its corporate banner, *Crown Holiday Parks*.

Rebranded to *Reflections Holiday Parks* in February 2018, the Group brings its 37 holiday and community parks on Crown land under the one unified banner. The group reinvests its surplus funds across all its holiday and community parks, so visitors and regional communities can keep enjoying these pristine locations. The vision of *Reflections Holiday Parks* is to inspire all who visit.
