

## **Perfect Conditions at Copeton Waters Celebrating Guests Returning with Discounted Holidays**

**In celebration of NSW opening up and to welcome back guests with a bang, the Reflections Holiday Park at Copeton Waters is providing discounted holidays until 9 December 2021 with 20 per cent off bookings across all powered and unpowered sites.**

Reflections Copeton Waters Manager Paul Irwin said now was a great time to be visiting Copeton with dam levels at 88.7% and the fishing at its absolute finest.

"We are going gangbusters here at the moment," Mr Irwin said. "Greater Sydney has opened up and people are rebooking their long-awaited holidays with us again. We are seeing lots of families, boating enthusiasts and people who just love to fish."

"There's still plenty of availability for powered sites and bush camping for those who want to get in before the holiday season rush."

Guest Services Officer Paige Hobday said a fishing competition held over the weekend saw almost a hundred fishing enthusiasts from casual family groups to the serious anglers, coming in from Armidale and Glen Innes. "It was great to see everyone's excitement as they came back to support this great inland park," Miss Hobday said.

For stays of two nights or more, until 9 December 2021, the 37 Reflections Holiday Parks, including Copeton Waters will offer 20 per cent off all powered and unpowered sites. This offer is available for a limited time only. Quote **SITE20** when booking.

Mr Irwin said there was nothing like waking up to the stillness of Copeton and enjoying the birdsong with a cuppa in hand. "Our Park is also full of kangaroos, emus and deer, which is a real delight for city siders who want to experience the Australian landscape in a holiday setting. The white deer are particularly cool!"

The Copeton Kiosk is open from 9:00am to 5:00pm, seven days a week with hot food, refreshments, and basic grocery items available. Bait, lures, and lines as well as a range of fishing clothing and camping items are also available.

Mr Irwin said outdoor sports were the go at Copeton with activities like tennis, hiking, fishing, fossicking for gold and mountain biking popular with guests and sporting groups. "Our BMX track will be humming with activity this month when the Inverell Mountain Bike Club holds their 6-hour Copeton Ride here on Sunday 21 November."

Reflections Holiday Parks CEO Nick Baker said Copeton was known far and wide for its fishing and he couldn't wait to get out to the park to cast a line in.
