

Reflections Holiday Parks Celebrate Regions Opening up with Discounted Holidays

In celebration of NSW opening up and to welcome back guests with a bang, Reflections Holiday Parks is providing discounted holidays until 9 December 2021 with 20 per cent off bookings across all powered and unpowered sites and 20 per cent off cabins at their eight Far North Parks.

Reflections Holiday Parks CEO Nick Baker said the 37 Reflections parks across NSW were pleased to see life getting back to normal with people able to have more certainty around booking their end of year holidays.

"There is a real sense of optimism and hope in the air, and we are excited to see more people enjoying themselves out in the regions once again," Mr Baker said.

"Our discounted holiday offerings are our way of welcoming everyone back and to encourage those emerging from lockdown or restrictions to book and spend some quality outdoor time at our parks.

"While powered and unpowered sites are discounted across all 37 of our holiday parks, we are providing that extra bit of stimulus to our far North Coast Parks, from Evans Head through to Byron Bay, with 20 per cent also off cabin bookings.

"We know people are eager to get out and have some fun and we think a discounted holiday enjoying the fresh air and best locations this State has to offer is the perfect way to boost people's spirits and boost local regional economies."

For stays of two nights or more, from the 31 October 2021 – 9 December 2021, Reflections Holiday Parks will offer 20 per cent off all powered and unpowered sites and for cabins at selected Far North Coast parks. This offer is available for a limited time only.
